

Ohio Aircraft Technician's Society

The Ohio Aircraft Technician's Society is presenting four separate courses designed to increase your knowledge of electrical systems. These courses follow NCATT AET recommendations and guides you towards earning the AET rating.

Each course is 2 hours long and addresses the following areas: Basic DC Circuits, Basic AC Circuits, Analog Circuit Components, and Basic Digital Theory

All courses are eligible towards fulfilling 2 hours of training towards IA renewal.

Directions: The Airman's Club is on the second floor of the Lunken Terminal Building opposite the Sky Galley.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
